

Career Point Edutech Limited to be listed on NSE and BSE on 5th September 2025

The management of Career Point Edutech Limited has announced that the equity shares of CP Edutech Limited will be listed and admitted for trading on NSE and BSE Limited from 5th September 2025. This listing is taking place under the Composite Scheme of Arrangement approved by the Hon'ble National Company Law Tribunal Chandigarh Bench.

On this occasion, Pramod Maheshwari, Managing Director and Chief Executive Officer, Career Point Edutech Limited said that the merger-demerger plan of Career Point Limited has resulted in the creation of two independent listed entities - CP Capital Limited and Career Point Edutech Limited. This restructuring is designed to unlock value for our shareholders and enable sharper focus in each vertical.

CP Capital Limited will be a leader in financial services (NBFC), while Career Point Edutech Limited will focus on education services and solutions driven by innovation and technology, thereby creating future ready verticals that will leave a lasting impact.

The securities of the company will trade on both exchanges with a market lot size of one equity share. At the time of listing, these securities will be placed in the Trade-for-Trade segment and Group T on BSE in line with SEBI guidelines and will remain in this segment for the initial ten trading days. These securities will also be part of a special pre-open session.

The listing of Career Point Edutech on NSE and BSE is a landmark moment in our journey aimed at redefining the education ecosystem. Over the years, Career Point has grown beyond test-prep to a full-stack education solutions provider with strong enterprise partnerships with universities and schools. This achievement not only reflects the trust of our stakeholders but also reinforces our vision of providing technology-based, scalable solutions that empower students and institutions. We are confident that with our strong business model, good governance and deep experience, we will deliver long-term value to our shareholders and make quality education more accessible in India.”

Career Point Edutech Limited:

Career Point Edutech Limited is a leading education solutions provider with presence across the entire educational value chain. The company offers services ranging from management of schools and universities to enterprise education solutions, test-prep and career-oriented learning programs. Leveraging over two decades of experience of the Career Point Group, CPEL is currently serving thousands of students across India and is continuously expanding.
